	Plenary - Grand ABC			Down!!!	D	Powel 2	D	2	B	Nomi Restaurant	Gallery	Science Box 1	Science Box 2	Science Box 3	
	А	В	С	Royal H	Royal I	Royal J	Room 3	Room 4	Room 5	Level 3	Level 3	Foyer	Foyer	Foyer	
07:15 08:15					ES4 - AI in Cardioloy		ES5 - Hands on ICCU		ES6 - Round Table DEB. Why? Where? When?			ES7 - Sport's Cardiology			
08:00 08:30	Registration, Exhibition and Posters														
08:30 10:00	<b>S10 -</b> Interventional Cardiology Issues in 2025		<b>S11 -</b> Pacing and Device Management	S12 - Outstanding Abstract Award Competition in Memory of Dr. Oren Zusman	<b>\$13 -</b> Frontiers in Basic Cardiology	<b>\$14 -</b> Cardiac Pharmacotherapy and Cancer		<b>\$15</b> - Innovation in Diagnosis and Management of Myocardial Diseases	<b>\$16 -</b> From Markers to Outcomes: Sex and Gender Differences	<b>S17 -</b> Nurses & Technicians	<b>\$18 -</b> Heart Surgery II				
10:00 10:30	Coffee Break, Visit the Exhibition, Posters and Science Boxes  SB7 - Cardiorenal and Inflammation in the ICU  SB8 - Joint Session   Advances in Heart Failure Research  Insufficiency												Only Aortic		
10:30 12:30		PL4 - Plenary IV Second Ceremony and Joint Session: American College of Cardiology (ACC), American Heart Association (AHA) and Israel Heart Society (IHS)													
12:30 14:00	Lunch Break, Visit Exhibition and Posters		and Posters	LS8 - Semaglutide Across the CKM Spectrum: From Risk Factors to Advanced Disease – A New Therapeutic Paradigm	- Collaborative Interactive Sharing Insights:	LS10 - Structural Interventions – Patient Journey from Clinic to the Cathlab and Back		LS11 - Overcoming Echocardiography Challenges: Simple Parameters for Early Diagnosis of Cardiac Amyloidosis	נליחה על השאלה - LS12 Case Studies in Hyperlipidemia M€DIS∮N	L513 - A Novel Non-statin Therapy for Primary and Secondary Prevention in ASCVD Patients	LS14 - 12:20-13:15 Lunch and General Assembly of the Israel Society of Cardiothoracic Surgery  13:15-14:00 The Impact of Intraoperative Transit-Time Flow Measurement (TIFM) on Coronary Artery Bypass Surgery (CABG)				
14:00 14:30	Coffee Break, Visit the Exhibition, Posters and Science Boxes										SB10 - Joint Session   Joining Forces in Heart Failure - Treatments of All Kinds	SB11 - Joint Session   Echocardiography and Interventional Cardiology: Precision Imaging for Precision Therapy	SB12 - Epidemiology and Risk Factors in Cardiology		
14:30 16:00	PL5 - Plenary Session V CardioOuest: Fellows Navigating Clinical Pathways - Hall B														
16:00		Annual General Assembly of the Israel Heart Society													

Annual Conference of the Israel Heart Society in association with the Israel Society of Cardiothoracic Surgery

May 26-27, 2025

David InterContinental Hotel | Israel
