

Day 1 - Monday, June 8, 2026														
Plenary - Grand ABC			Royal H	Royal I	Royal J	Room 3	Room 4	Room 5	Nomi - Level 3	Gallery - Level 3	Science Box 1 Foyer	Science Box 2 Foyer	Science Box 3 Foyer	Science Box 4 and Imaging Extravaganza Exhibition Area
A	B	C												
07:15 - 08:15							ES1 - Israeli Adult Congenital Heart Disease Working Group Meeting				08:15-08:30 ESB1 - Unlocking CV Inflammation in Clinical Practice (Sponsored by Novo Nordisk) Restricted to Medical Staff Only			
08:00 - 08:30	Registration, Exhibition and Posters													
08:30 - 10:00	S1 - Interventional Cardiology with a Focus on Coronary Artery Disease		S2 - Kellerman Award Session	S3 - ICCU in 2026 - Do we Need a New Toolbox?	S4 - Tricuspid Regurgitation and Artificial Intelligence in Echo	S5 - Ami Cohen Award Session and Heart Surgery I		S6 - Personalized Cardiovascular Medicine and Rehabilitation: Mechanisms, Prognosis and Clinical Implementation	S7 - Contemporary Management of HF: From Risk Stratification to Advanced Therapies	S8 - Unique Aspects of the Women's Heart - From Pregnancy to Menopause and Beyond	S9 - Models and AI in Electrophysiology			
10:00 - 10:30	Coffee Break, Visit the Exhibition, Posters and Science Boxes										SB1 - Joint Session: Inflammatory and Myocardial Diseases in HF: From Pathophysiology to Clinical Practice	SB2 - Devices Related Therapy	SB3 - Cardio-Oncology: What do we know? Where are we going?	SB4 - Joint Session: Transducer Meets Catheter
10:30 - 12:30	PL1 - Plenary Session I Opening Ceremony													
12:30 - 14:00	Lunch Break, Visit Exhibition and Posters			LS1 - Go with the Evidence: Beyond the Scale, Beyond Expectations (Sponsored by Novo Nordisk)	LS2 - Therapeutic Strategies Across the Atherosclerotic Disease Continuum (Sponsored by Sanofi)	LS3 - The Lp(a) Revolution: Shaping CVD Prevention in Israel Policy, Diagnosis, and Treatment in the New Era of CV Care (Sponsored by Novartis)		LS4 - Beyond Blood Pressure - Aldosterone and the Heart (Sponsored by AstraZeneca)	LS5 - A/V Valves Regurgitation: When Joint Custody is the Best Way Forward! (Sponsored by Abbott Laboratories)			12:45-13:00 LSB1 - Comparison of Contemporary Balloon-Expandable Valves in Transcatheter Aortic Valve Replacement (Sponsored by Meril) Restricted to Medical Staff Only		
14:00 - 14:30	Coffee Break, Visit the Exhibition, Posters and Science Boxes										SB5 - Frontiers in HF Science: Mechanisms, Phenotypes, and Translational Insights	SB6 - Interventional Cardiology	SB7 - Joint Session: Heart Failure and Cardiac Surgery: Bridging Advanced Therapies and Surgical Innovation	Imaging Extravaganza
14:30 - 15:45	PL2 - Plenary Session II Joint Session: European Society of Cardiology (ESC) and Israel Heart Society (IHS)													
15:45 - 16:00	Coffee Break, Visit Exhibition and Posters													
16:00 - 17:30	PL3 - Plenary Session III Late Breaking Science - In Memory of Prof. Alexander Battler Royal H													
Day 2 - Tuesday, June 9, 2026														
Plenary - Grand ABC			Royal H	Royal I	Royal J	Room 3	Room 4	Room 5	Nomi - Level 3	Gallery - Level 3	Science Box 1 Foyer	Science Box 2 Foyer	Science Box 3 Foyer	Science Box 4 and Imaging Extravaganza Exhibition Area
A	B	C												
07:15 - 08:15						ES2: Hands on ICCU		ES3: From Risk Estimation to Ischemia Diagnosis and Treatment - The Hidden Secrets of the Women's Heart			ESB2: Sport Cardiology	08:15-08:30 ESB3 - Sustaining Momentum: Closing the Loop in Cardiometabolic Care (Sponsored by Novo Nordisk) Restricted to Medical Staff Only		
08:00 - 08:30	Registration, Exhibition and Posters													
08:30 - 10:00	S10 - Interventional Cardiology with a Focus on Structural Heart Disease		S11 - Atrial Fibrillation: Mechanisms and Therapy	S12 - Outstanding Abstract Award Competition in Memory of Dr. Oren Zusman	S13 - Innovations in Cardiac Biology	S14 - Contemporary Cardiovascular Epidemiology: Risk Factors, Environment and Outcome Prediction		S15 - The Spectrum of Myocardial and Pericardial Diseases: Genetic, Infiltrative, and Inflammatory	S16 - Advanced Cardiac Imaging: From Diagnosis to Prognosis	S17 - Nurses and Allied Health Professionals	S18 - Heart Surgery II			
10:00 - 10:30	Coffee Break, Visit the Exhibition, Posters and Science Boxes										SB8 - Joint Session: Basic and Translational Insights in Heart Failure Research	SB9 - Echo and Valvular Disease, in short	SB10 - ICCU in a Nutshell	SB11 - Updates in Medical Therapy
10:30 - 12:30	PL4 - Plenary IV Second Ceremony and Joint Session: American College of Cardiology (ACC), American Heart Association (AHA) and Israel Heart Society (IHS)													
12:30 - 14:00	Lunch Break, Visit Exhibition and Posters			LS6 - Bempedoic Acid: Bridging the Gap in LDL-C Control (Sponsored by Neopharm Israel)	LS7 - The Hidden Cardiovascular Burden of Obstructive Sleep Apnea (OSA) and Obesity Live Expert Dialogue on Clinical Decision-Making (Sponsored by Eli Lilly)	LS8 - Data-driven Care, Long-term Impact: Improving ATTR-CM Patients' Outcomes in Israel (Sponsored by Pfizer)		LS9 - Aligning the LDL-C Treatment to the 2025 ESC Guidelines (Sponsored by Medison)	LS10 - Let's get Practical - What do you have to think about when Referring Patient to TAVI? (Sponsored by Abbott Laboratories)			13:00-13:15 LSB2 - The Heart of Obesity - Changing The Conversation (Sponsored by Novo Nordisk) Restricted to Medical Staff Only		
14:00 - 14:30	Coffee Break, Visit the Exhibition, Posters and Science Boxes										SB12 - Integrating Basic and Clinical Cardiology	SB13 - Joint Session: Cardio-Oncology-Echo-Valves: Together we will win	SB14 - Joint Session: Interventional Cardiology and Heart Surgery	Imaging Extravaganza
14:30 - 16:00	PL5 - Plenary Session V CardioQuest: Fellows Navigating Clinical Pathways Sponsored by Sanofi Hall B													
16:00									Annual General Assembly of the Israel Heart Society
